Consent items that meet the criteria of a "consent item" that are of particular interest are brought to the Board members attention prior to the public SAB meeting.

Financial Reports

Financial Reports are items that provide the Board with information regarding the status of funds, administrative costs, etc.

Consent Specials

"Consent Specials" are apportionments that are being highlighted to the Board; however, many of these requests conform to law, regulation, and SAB policy. Typical "consent specials" are time extensions, facility hardship and rehabilitation projects with recommendations for conceptual approval or funding. They are reviewed, analyzed in detail, and prepared by Staff and reviewed thoroughly by management.

Some "consent specials" may not conform to law, regulation, or SAB policy, such as potential material inaccuracy items. However, all "consent specials" are items where Staff and the district are in concurrence with the recommendation.

Specials

"Specials" are items that may be specific to a district or it may be a global issue, either of which Staff has determined should be brought to the Board's attention. "Specials" may also be presented according to direction given by the Board. "Specials" are reviewed, analyzed in detail, and prepared by Staff. In addition, all "specials" are reviewed thoroughly by management.

Appeals

Typically, "appeals" are items that represent a request by a district for special consideration by the Board regarding circumstances which the OPSC deems to be outside of the established State school program provisions and which cannot be otherwise administratively resolved within existing program requirements or regulations. Typically, Staff cannot provide a favorable recommendation. "Appeals" are reviewed, analyzed in detail, and prepared by Staff. In addition, all "appeals" are reviewed thoroughly by management. When considering appeal items, the SAB, as an administrative body is responsible for making decisions in accordance with statutory requirements and Board regulations.

Regulations

The SAB is charged with adopting regulations that implement the various statutory programs for which it is given responsibility. Upon enactment of legislation, OPSC Staff prepares and presents discussion papers that offer proposed regulation language and operating procedures to the SAB Implementation Committee to seek public input. The SAB Implementation Committee is an informal advisory committee formed by the OPSC that is made up of members representing various school districts and related associations, councils, and State departments. Meetings are attended by district representatives, consultants, architects, and other members of the public interested in school facilities.

The feedback received by OPSC Staff at the SAB Implementation Committee meetings is provided to the Executive Officer of the OPSC who is responsible for making final recommendations to the SAB. Once final recommendations have been determined, the OPSC Staff finalizes the proposed regulation package and it is reviewed thoroughly by management. Finally, the proposal is taken to the SAB for consideration and approval in accordance with the requirements of the Administrative Procedure Act.

Reports

Reports are informational items that do not require a Board decision. The Board needs only to accept or reject the report. Generally, reports are to provide additional information to the Board on a subject that required additional background or research. Reports may also be presented according to direction given by the Board. Reports are prepared by Staff and are reviewed thoroughly by management prior to Board presentation.

Information

Information items do not require Board action. Typical information items are the OPSC workload list, dates of the upcoming SAB meetings, lists of the Deferred Maintenance Extreme Hardship unfunded approvals, and lists of the facility hardship/rehabilitation approvals without funding. Information items are prepared by Staff and reviewed by management.

RECOMMENDATION

Accept this report.

BOARD ACTION

In considering this Item, the Board accepted the report. In addition, the Board requested that in the future exceptions to the process be submitted for Board consideration.
